About Us

With great pleasure to introduce our organisation “**RAJASTHAN HERBALS INTERNATIONAL**” which manufacturing products for **Rajasthan Aushdhalaya Pvt. Ltd.**, has been deeply & successfully involved in the manufacturing of Ayurvedic medicine & consumer products. Ayurvedic medicine involves use of herbs & other techniques for the treatment of health related problems. Witnessing the growing demand & consumption of the same, we “**RAJASTHAN HERBALS INTERNATIONAL**” have emerge to offer quality products in the market and successfully marketed by our marketing division Rajasthan Aushdhalaya Pvt. Ltd. not only in India but abroad too.

Our first medicine in the field of De-addiction category was out in 1952. Since then it has been receiving by all needed hands in India & all over the world. Our effort to make our Nation free of all types of addictions. Millions of Drug/ Alcohol/ Nicotine addicted are benefitted from our De-addiction centers spread in India and around the world and successfully cured more than half million people.

We have developed and marketing successfully medicines for other common disease such as Joints Pain, Asthma, Piles, Diabetes, Weight loss & Weight gain, Cancer, Heart disease, Mental disorder etc.

From the humble beginning in the place in Rajasthan, India, it has come a long way today to become a most popular herbal product manufacturing and...
